

Bag D'Amour

Bag of Love

The Bag D'Amour is woven on the outside of a folded piece of craftboard, in the round, on the No Sew Lining ©. It's a clutch bag with a hex frame closure and is the perfect size for a cell phone, small wallet, and car keys. Or it can be used as an accessory to the Bag Joie de Vivre. A very versatile little bag!

Beginner Level ~ 1-day project

This kit has everything needed to create this beautiful Bag D'Amour. It's designed for the novice weaver... no weaving skills required. Since the Hex frame bands are sewn, a sewing machine and basic sewing skills are needed.
