

# The Emma Bag

The Emma Bag is woven flat on a piece of foam core or cardboard. By incorporating a beautiful fan design, this bag is both unique and elegant. It has a cord strap and is the perfect size for a cell phone, wallet, and car keys... the perfect bag for when you want to feel special.

## Beginner Level ~ 1-day project

This kit has everything needed to create this beautiful Emma Bag. It's designed for the novice weaver... no weaving skills required. Since the lining is sewn, a sewing machine and basic sewing skills are needed.
